

Dear Parents and Carers,

For the last two weeks, we have been conducting pupil surveys. This is important in making sure that the children play a part in the direction of the school and that they have an opportunity to share their views.

The children were asked about our values, their learning and playtimes and were asked to give positives and ideas for improvements.

The children talked about how the school values influence their behaviour – with many responses discussing the fact that you should treat people how you want to be treated. They also explained that school values keep them safe. Children from Year 1 to 6 spoke very passionately about their learning – they love challenge and they love to problem solve! They also talked about their best learning activities and often this involved making, doing and experimenting, although they also discussed how much they enjoyed their writing tasks and learning new words to use. The children said they wanted to be outdoors learning more which was an opinion echoed by parent forums and questionnaires. Children also talked about the differences at playtimes and how this made lunchtimes better – with the way equipment is organised, how lunch ends and the new quiet area that they can use.

I will take this feedback to teachers so that we can continue to shape our learning to meet the interests of the children. We are working hard to organise more outdoor activities and trips and to ensure that we continue to add balance and breadth to our curriculum.

I have emailed out a parent survey today, which contains similar questions to the ones we asked the children. Your responses and suggestions are much appreciated but I would remind parents that an online survey is not the place to express particular concerns or problems. Issues need to be raised with the appropriate members of staff so that they may be solved. An online survey can't offer answers or solutions!

Please also see the next page for news of our latest parent meet initiative!

With best wishes

Parent Meet – School Tours

The leadership team are keen to find as many ways as possible for parents to be involved in the school so that they can give ideas and feedback. This helps families better understand the work of the school and helps us to shape priorities for future school development.

One of the best ways to find out about our school is to take a tour of it – as parents of our youngest children may well remember when they were choosing us. As leaders, we always enjoy these tours and explaining aspects of school life – what happens and why we take certain approaches to teaching and learning.

We would therefore like to offer the opportunity for any existing parents to take a tour of the school with a member of the leadership team. It may have been some time since you had a good look around and we would love to show you the school! The tours will be very informal and we will be open to any questions or discussion points as we walk around.

We are offering these tours by appointment in small groups on both Wednesday 21st March and Thursday 22nd March at 9:00, 10:00 and 11:00. This will allow you to see the school in action!

If you would be interested in one of these tours, please call the school office to book your place (we are running them just as we would for prospective parents).

Art Competition

Mrs Walton visited on Monday to deliver our art assembly for Term 4.

She told us all about Aboriginal art and how it could be painted, carved or made using sand art. Aboriginal art is considered a language in itself, communicating through lovely patterns.

We are launching our latest art competition to produce any kind of aboriginal art. This can take any form and use any material!

The final entry date for this competition is Tuesday 17th April so that the children have the Easter holidays to work on their entries.

The competition is judged by Junior Leaders and prizes for 1st, 2nd and 3rd places will be awarded. All work entered will then be displayed in the hall.

We look forward to seeing your wonderful creations!

School shop

You may have noticed if you have been in Ramsgate town centre that the School Wear shop in Harbour Street is currently vacant. The company have contacted us to let us know that there were serious structural issues with the building which will take some time to rectify. The Margate shop is still open and the company will arrange home delivery from the shop to Ramsgate addresses on a temporary basis.

We are in the process of organising some dates in the summer terms when the School Wear shop will be operating a pop up shop at Chilton for parents. We will keep you posted!

Cake sale

We are excited to be ready to order our own bouncy castle from the fundraising that the children and Chilton Fund-Raisers have been running for the past year.

We are still raising the money for Go-Karts and some Year 4 girls have asked to run a cake sale on the last day of term for this.

Any contributions of cakes are gratefully received on the morning of Thursday 29th March. They will be selling the cakes at breaks and after school.

They thank you in advance!

Easter Bonnet Parade – Reception and Key Stage 1

After the success of our Easter Bonnet parade last year, we invite all children in Reception, Year 1 and 2 to make a beautiful bonnet or hat and bring it in to school on the last day of term (Thursday 29th March). We will enjoy a parade to show off all of the children's creations and then 1st, 2nd and 3rd prize will be awarded in each year group.

Easter Bonnet Competition – KS2

Whilst we appreciate that our older children might not want a whole parade, we don't want to leave them out of the Easter bonnet fun!

We therefore invite our children in KS2 (years 3 to 6) to make a fantastic Easter Bonnet or hat and bring it in to school with them on the last day of term. There will be a competition in each year group with 1st, 2nd and 3rd prizes being awarded in each. Entering this is optional – we are well aware it may not be for everyone!

A note on assemblies:

To make parents aware, all of our assemblies are delivered with age appropriate content. If books are used to read from, they are books written for children. If video clips are shown, they are always made up of appropriate content.

Sometimes children will come home discussing assembly themes which taken out of context may seem unusual. I would ask that you take the time to discuss and explore this with your children and if they struggle to explain, contact myself or a class teacher either by email or in person. We will be happy to explain the content and purpose of any of our assemblies.
