

Sports Newsletter: Term 3

Get involved in Chilton **SPORT**

Sporting, Participation, Opportunity, Resilience and Talent.

At Chilton Primary School, we aim to inspire children to lead healthy, active lifestyles through the teaching of a broad range of activities in Physical Education and Physical Activity. In this way, we hope to engage our children in competitive sports both in and out of school hours. Our extensive curriculum challenges learners to excel in all strands of PE and provides opportunities for children to collaborate to become more self-confident. As a result, children embed the values of our school and the importance of staying fit through the enjoyment of Physical Education and Physical Activity.

- Participation - last year 53% of the whole school participated in an after school club. This year we are already on target to beat this percentage.
- Competition - Our children take part in regular competitions in school during ActivePlay, PE lessons and after school clubs. We also compete against other schools in Thanet Passport events.
- Workforce - We engage year 5 and 6 students as Play Leaders at lunchtimes helping younger pupils play and engage in activities. Our Sports Crew help Miss Knight with sports duties (see below).
- Clubs - Last year our sports coaches and teachers offered over 50 clubs for the pupils to participate in.

Meet our Sports Captains

Poppy and Casey were selected as they show both school and sports values. Their attitude and commitment to sport is second to none. They go along to competitions to either participate or support and encourage Team Chilton.

CONGRATULATIONS!

Competitions

Chilton entered a badminton event for the first time. The children were able to brush up on their skills and play a variety of fun games before the competitive games began.

We also competed in the Kent School Games Handball Qualifier. The team that had come together for the event showed great courage when faced against more established teams.

WELL DONE TO ALL OF OUR COMPETITORS THIS TERM!

PE

This term the children have been learning a variety of skills to allow them to develop both their individual performance and team ethos.

Reception have been mastering basic ball skills such as rolling, bouncing and throwing.
 Year 1
 Year 2 learn how to copy movements in dance.
 Year 3 have been making maps and understanding how to use them in OAA, copying movements and using the count of 8 in dance and learning basic attacking and defending skills in games.
 Year 4 have been refining their swimming skills at Ramsgate Leisure Centre.
 Year 5 and 6 have been building and refining their attacking and defending knowledge in games, created dance routines and made maps for orienteering and learnt teamwork skills in OAA.

Meet our Sports Crew

Our sports crew consists of Kit Managers, a Head Play Leader, Equipment Managers and a Photographer. The crew are responsible for the day to day running of ActivePlay by ensuring equipment is available and Play Leaders know their roles. The Kit Managers keep a record of all kit and deliver kit to those pupils that have been selected to represent Chilton in competition. Our photographer helps record our enjoyment and achievements through picture.

WELL DONE TO ALL OF THE CREW!

PE KIT

Please can you provide your child with appropriate kit: black or blue shorts, white T-shirt and plimsolls/trainers. Black or blue tracksuit for outside PE.
