

Junior Leadership Team Action Plan

We have carefully read the School Improvement Plan and decided upon the objectives we can support SLT with. As a group we have planned in actions to take across the year to ensure we have maximum impact as a team

Objective (taken from SIP)	Action	Impact	Evaluation
Raise attainment and progress for all	<ul style="list-style-type: none"> -Conduct internal learning environment walk -Conduct involvement observations of lessons within the school. -Discuss with other VAT schools how teaching and learning can be improved by sharing good practise at each school 	<p>We will become more aware as pupils what we think makes 'outstanding' practice in schools. We will discuss what is good about T+L in our schools with other VAT schools. We will share ideas for improvement with SLT.</p>	
Further embed and develop strategies promoting good mental health and well-being	<ul style="list-style-type: none"> -We will conduct a questionnaire with pupils to establish levels of well-being within Chilton and what the pupils feel the school does to support them. -We will meet with key members of staff (Mrs Gale and Mrs O'Grady) to establish current actions being taken to further improve this. 	<p>We will find out how well pupils feel that the school supports their well-being and mental health. We will find out what the school already does to promote well-being. We will debate and share ideas for what can be done to further promote this and share with key members of staff.</p>	

	<ul style="list-style-type: none"> -We will liaise with our peers to gain more ideas for how we can help and share these with key members of staff. 		
<p>Develop challenge and creativity across the curriculum with enriching activities (including home learning) that engage the school community.</p>	<ul style="list-style-type: none"> -Conduct a questionnaire to establish how creative pupils feel our curriculum is and how much challenge they feel is provided in school. -Liaise with peers to take on their ideas for adding challenge and creativity into the curriculum. -Formally present our ideas and findings to Mrs Law, Miss Barrow, Miss Cheshire and Mr Lamprell 	<p>We will gain the pupils opinions for how much creativity they feel in in our curriculum and how much challenge is present in their learning.</p> <p>We will develop ideas to improve both creativity and challenge in our curriculum and present our ideas to SLT.</p>	
<p>Develop and improve outdoor spaces for learning and play</p>	<ul style="list-style-type: none"> -Learning environment walk of the outside area. -Liaise with our peers gathering ideas and suggestions for improvements that we need to make. -Hold 3 fundraising events this year in order to support the school financially 	<p>We will support SLT in evaluating which areas need improving and make suggestions for how this can be done.</p> <p>We will support the school in raising money for this.</p>
