

School Sports Grant Plan 2020-21

Area	Activity	Impact	Total used or intended cost	Sustainability
Health	Swimming sessions to resume when possible – KS2 with priority on older children	Children who have missed swimming lessons due to pandemic are prioritised.	Parents pay £2.75 per session Expenditure unknown as date to resume lessons unknown	Maximising the opportunity for children to be able to swim 25m by the time they leave Chilton. Ensuring that progress in swimming continues More accomplished swimmers to be challenged with learning water safety and awareness.
Health	Active Play	Resources for children to take part in activities at lunchtime. To encourage 100% of the school to participate in AP, maximising the playground space.	<u>£2000</u>	Children continue to engage in active play throughout their lunchtimes. Play times are used effectively for activities and also to sustain children’s engagement and to help them become self-managing and sufficient in their activities, without seeking adult support. Active, engaged and self-managing children allows active play to be sustained in the long term. Equipment purchased so that children able to play with it in ‘bubbles’ during pandemic
Education	Equipment for lessons	New equipment required for PE lessons taught in bubbles during pandemic	<u>£2000</u>	PE lessons run with separate bubbles effectively and equipment can be used fully without having to be shared. PE lessons are unaffected by pandemic as they are fully resourced.
Education	Equipment and	Provide staff	Sportsafe UK	Equipment can be reliably and safely used or replaced – PE

	checks	with safe resources to help them teach PE more effectively Children to have a wider range of resources that are safe and effective to apply and challenge their skills	<u>provider</u> <u>£1000</u>	lessons and quality and variety continues
	PasSport	Organisers of events for children including trophies and medals; free use of Your Leisure facilities; district team selections; access to CPD opportunities to provide staff with training; support for PE leader DW to attend 6 networking meetings throughout the	<u>£600</u>	More children to enter competitions with recognition through medals. PE lead accesses continued CPD to inform action planning and further development of sports provision with wider curriculum activities

		year to liaise with other PE leaders		
	Competition	Children from Key Stage 2 to have experience in the swimming gala Thanet Swim Club. Supporting the trust school and celebrating history with 'Waterloo Trophy' at Upton in June. Other competitions paid for by parents, through Passport or free.	Total costs unknown until events resume after pandemic	Ensures recognition and challenge of 'most able' swimmers. Gala is highly competitive – allowing for children to challenge themselves through competition and through further swimming training. Gala also exposes children to opportunities at external swimming clubs Other competition events allow school sport to be celebrated and a range of children to join in sporting events in a number of different ways. This in turn promotes the participation in clubs, outside sports and school competitions
	School Games Day	School Games values to be encompassed within school inter-competition: Trophies to	<u>£100</u>	Celebration of sports across the school. Challenge and opportunities for all children to participate and be recognised. Use of competitive activities to engage those identified as 'talented or ablest' in PE and school sports. Supporting less abled children to strive and challenge themselves at their pace Engages whole community in sports celebration.

		reflect the school games values and linked to the school values: Respect, Kindness, Courage and Equality		Promotes school games values – teaches children purpose of sports participation and about the variety of skills and talents required by a range of sporting activities. Links to school values to emphasise importance and connection to school sport and competition
