

Dear Parents and Carers,

This week, Miss Lane, who leads Maths across the school, began her series of Maths workshops for parents. These are designed to give useful information on how we teach and how children learn in Maths at school. Many of the methods will be different to how we as adults learned when we were at school and so the purpose of the workshops is to give information but also advice on how you can support children with Maths learning at home. During the workshops, your children will be giving practical demonstrations of how they learn. After each workshop, we will email a parents' version of the Maths calculation policy – please do contact your class teachers with any queries or questions regarding this. Thanks to all the parents who attended on Thursday – it was a great success and lovely to share our learning with you!

The next workshop is for Year 3 and 4 parents on Tuesday 13th at 2:15 in Mrs Gale's Year 4 classroom (Team Aqua). Miss Lane has sent a letter with a slip to return if you would like to attend. Please do return this if you would like to attend, it will help us to anticipate numbers and will also ensure that your child takes part in the workshop alongside you. Miss Lane will then run further workshops for the rest of the school in the coming months.

In other Maths news.... Explore Learning have worked with classes in school on Mathematical skills and now four of our Year 6 children are taking part in a national competition. The first round was this week and here are our Super Stars after some excellent problem solving in some tough challenges!

Best wishes

Mrs Kate Law – Head of School

MEET THE TEAM!

This week, we'd like to formally introduce our Key Stage One Teachers

From L to R: Miss Davey, Mr Pile, Mrs Rowland-Hill and Miss Keam

Helen Rowland-Hill – Year 2

I started my teacher training at Chilton in 2016 after several years in public relations and marketing. The moment I started teaching I knew I was going to absolutely love it and I truly feel I have the best job in the world. Watching the children learn and seeing them experience those ‘wow’ moments is incredibly rewarding and I strive to be the teacher I always wanted when I was at school. We work hard in year 2 but we also have a huge amount of fun too!

Michael Pile – Year 2

I graduated from Cardiff Metropolitan University in 2014 where I studied Sport and Exercise Science before moving back home to Thanet. I started my teacher training at Chilton in 2014 where I worked across several different age ranges. I completed my training in 2015 and happily accepted a job to work in year 3 at Chilton before teaching in year 5 for the next 2 years. I am now really enjoying teaching in Key Stage 1 and am proud to be part of an amazing team!

Emily Davey – Year 1

I have had the pleasure of teaching at Chilton Primary School for 6 years having had my final teaching placement here. Since being at Chilton I have worked in KS1: three wonderful years with Year 2 and then down to Year 1 where I have loved implementing and teaching Read Write Inc and created a creative curriculum to support the transition from Reception to Year 1. I now lead Read Write Inc and support other teachers and TAs within my team to help them deliver inspiring and engaging lessons. I am also the lead mentor at Chilton so I get the chance to support the new teachers of tomorrow! Chilton is like a second family to me, and I can see many more happy years ahead of me.

Poppy Keam – Year 1

Hi Chilton Families! I'm Poppy Keam. This is my fourth year teaching and I'm honoured to be a part of the amazing Chilton team! I've previously worked in years 2 and 3 and I am currently loving working with the fabulous year 1! I have a huge passion for teaching and love watching children grow and progress!

STARTING IN RECEPTION IN SEPTEMBER 2019? COME AND SEE OUR LOVELY SCHOOL!

Please contact the school office on 01843 597695 to book a place on one of our tours:

- **Tuesdays at 10:00:** 13th, 20th, 27th November and 4th December

Swattenden Information Meeting for Year 5 parents and children

During Term 1, our Year 6 children have the opportunity to take part in a residential trip to Swattenden activity centre. Arrangements are already in place for current Year 5 children for their visit next September. We would like to invite Year 5 parents and children along to an **information meeting on Tuesday 27th November at 6:00 in the school hall**. We'll explain all of the wonderful activities and experiences of the trip and following the meeting, a letter to secure your place will be sent out. We want everyone in the year group to enjoy this amazing adventure, so please come along to find out more! Details will be sent by email afterwards if you are unable to attend.

House Points

Here are the current standings for the Term 2 house point competition. The non uniform day for the eventual winning house is on 10th December! Good luck everybody!
