

Dear Parents and Carers,

This term, the whole school is once again focusing on a values based project called “Good to be Me”. The children will be exploring a wide variety of learning which will include:

- What makes them an individual
- Friends and families and how they shape and support us
- Our communities
- Diversity in our communities

Fundamental to the project are mutual respect, a culture of kindness and celebration of diversity. These are important aspects for a successful school community and also carry important messages of friendship, collaboration and anti-bullying.

We are setting a special home learning task for all children:

“My Home Town”

Where we grow up plays a huge part in our lives – shaping who we are, what we do, who we know and where we go! For your home learning project for ‘Good to be Me’, over the course of Term 5, we would like you to create something that tells us all about what ‘My Home Town’ means to you. This home learning can take any form – there is no right or wrong way but you can be as creative as you like!

Please could the home learning project be returned to school by Monday 20th May.

To celebrate all of our learning for this project, we will be holding a Good to be Me parade on the last day of this term (Friday 24th May) at 2:15pm. This will be on the field and parents are invited to come along and watch. We are still in the planning stage for this but it promises to be a colourful, creative and fun event to end the term!

Best wishes

Mrs Kate Law – Head of School

All About Chilton Fundraisers

What We Do

As everyone is aware, schools nowadays are consistently asked to do more with less as a result of large cuts made to funding across the country. Chilton Primary is no different & our help is needed more than ever to help plug these ever-growing gaps.

So far Chilton Fundraisers have, with your support, raised over £3000 this year. We raise in excess of over £6,000 annually.

This money has contributed towards subsidising school trips to make them more affordable to parents, revamping the year 1 outside area, new sports kits for pupils, Peer Mediator hoodies, year 6 leavers t-shirts, staff sportswear for events & competitions, panto & the Magic Man at Christmas and Easter Eggs for all pupils.

We are currently putting time & effort into preparing the Forest school area as well as looking into how much we need to refurb the KS2 outside area - as requested by the children.

We meet monthly to discuss feedback from previous events, to plan forthcoming events, discuss any ideas we might have.

Why We Would Love Your Support

1. Research has shown when parents are part of the school community, children do better
2. We want to help the school build the best possible environment for our children by providing resources they need and helping create a supportive, inclusive atmosphere that makes school a place the children want to be and are proud of
3. We know you are all busy people & may be reluctant to volunteer hours & hours of your time. Consequently, we respect whatever time you can offer. Even an hour or two a term makes a difference.
4. We don’t take ourselves too seriously – we have quite a laugh doing it
5. We all have the same common bond – we want our children to have the best possible time at school

RESPECT, EQUALITY, COURAGE, KINDNESS

6. We can match tasks to your interests & abilities. We know it can be daunting to get involved so we would never ask anyone to do anything they are not comfortable doing
7. It's quite rewarding to feel you've made a difference

Other Ways You Can Support US

We are aware that many in the school community are business owners – if you would like to donate a voucher or prize for the competitions & raffles at the Summer Fayre, it'd be gratefully received. We had some absolutely amazing prizes at the Christmas Fayre from some of you. We really do appreciate any support we get.

We'd love to hear from you or see you at one of our meetings – our next is at 2pm, Friday 26th April

You can get in touch at Facebook/ChiltonFundraisers or just approach us when we are outside the Year 6 area!
