Dear Parents and Carers,

I am sure you will know by now of the Government announcement that all schools will close until further notice apart from for children of key workers and the most vulnerable children. From Monday, the school will be closed until such time as there is a public announcement that schools will open again.

We will be in touch regarding opening for children of key workers as soon as the government has provided clarification and we have organised the operation of the school in these circumstances.

We are determined to work hard to try to minimise the impact on children's learning during the closure. Whilst there will be challenges in continuing their education journey at home, I am sure that if we work together then we will be able to allow children to continue to learn. This entire process will rely on us providing the work, and you finding a space and time for the children to complete it. Teachers will be working hard to provide material that the children will be able to access at home.

We will be updating year group blogs on a daily basis with tasks, advice, work-sheets and presentations for use at home. There will be Maths and English advice on a daily basis with weekly topic learning to cover. Teacher's email addresses are added below, however, I hope you will appreciate that whilst teachers will be happy to answer questions during normal school times (9:00-4:00) as much as possible, they cannot engage in extensive dialogue via email with every parent in their classes regarding home learning. Please also keep in mind that many staff will also be juggling their own childcare and family commitments through school closures. If you have any issues with accessing the online materials, please let us know and we can work towards a solution for you.

We are working on additional means for home-school communication in this period and will keep up updated on any developments.

I hope that, with your support, we can get through this period of uncertainty, safely, but also with a minimum of impact on your child's education. As it stands at the time of writing, we will be operating a skeleton staff at school and so phone lines will be open during normal office hours. We do ask you to refrain from visiting the school site.

More information on Free School Meals provision will be communicated as and when we are in a position to do so.

Yours Sincerely

Mrs K Law

Head of School

'One Childhood One Chance'
