

Afternoon Activities

Week beginning 30th March

Here are some fun afternoon activities which you can choose to complete in any order. Remember to email us photos so we can share them on our blog!

ART: The sun is out, look out of your window or go into your back garden and sketch what you can see. It could be animals, trees, flowers, the street where you live- anything at all!

ICT: Have a go at one of the Scratch tutorials online.
