For today's lesson, I would like you to write a setting description based on the picture you sketched yesterday or use my picture below.

## Setting

► When you write about a setting, you need to make sure you use lots of description so a reader can picture themselves there.

► Effective descriptions appeal to the senses.

Read through your paragraph. Have you included:

- ✓ Interesting verbs
- ✓ Interesting adverbs
- ✓ A simile
- ✓ A metaphor
- ✓ Which senses have you appealed to?
