Fronted Adverbials

Next,
After that,
Firstly,
After a minute,
Before long,
After a while,
Early one morning,
Late one evening,
Without warning,
Afterwards,
Following that,

Remember you can start your sentence with an **adverb** as well:

Scarily, Tom jumped out of the cupboard!

When re-reading your work:

Have I used the correct grammar and punctuation?

Have I checked my spellings?

Have I used words in the correct context?
