English

Using the image from Monday (Night at the museum) or one below, write a setting description.

Use your senses language to engage the reader as if they were there. What emotions would they experience (how would they feel)?

What is the image? Why is it there? What was it previously or is the building/setting still in use?

Use the 'Word Mat' attachment (located on the blog's files) to help.

Additional challenge – vary your sentence structure to improve the flow of your writing
