Explore your understanding of the video using the following reciprocal reading skills:

- Summariser
- Predictor
- Questioner

**Summariser:** Write a short paragraph or bullet points to describe the key points which happen in the video.

**Predictor:** Did you predict the outcome when you were watching the video? Did you have any other thoughts of what might have happened? Write two predictions of what could happen next... "I predict..."

**Questioner:** Asking questions about the text/video helps your understanding. Write 5 questions about the video (be inquisitive).

E.g. Why is the town empty? Where is the shopkeeper?

*Use your inference skills to help develop your understanding – what clues are there in the video that something bad is going to happen?*

**Comprehension:** You are an examiner! Create a short test of 8-10 questions about the video. Remember the types of questions you've answered when at school and include a range/variety (2 and 3 mark questions)!
