

Monday 11th May 2020

Today I would like you to watch the first 3 minutes of the video about the giraffes at Longleat Zoo and then answer the comprehension questions below.

<https://www.youtube.com/watch?v=pUmHClrRPxc>

- 1 Who are the giraffes named after?
- 2 Where do their markings stop?
- 3 What body part measures around 50cm
- 4 What do giraffes use their tongues for?
- 5 How do they move?
- 6 How many hours do giraffes spend eating?
- 7 Why do giraffes sleep in short periods?

Challenge

Can you use your computer to find out the answers to the following questions?

1. How often do giraffes drink?
2. How fast can they run?
3. Are giraffes the tallest mammal on earth?
4. Where do giraffes originate from?
