

Wednesday 20th May

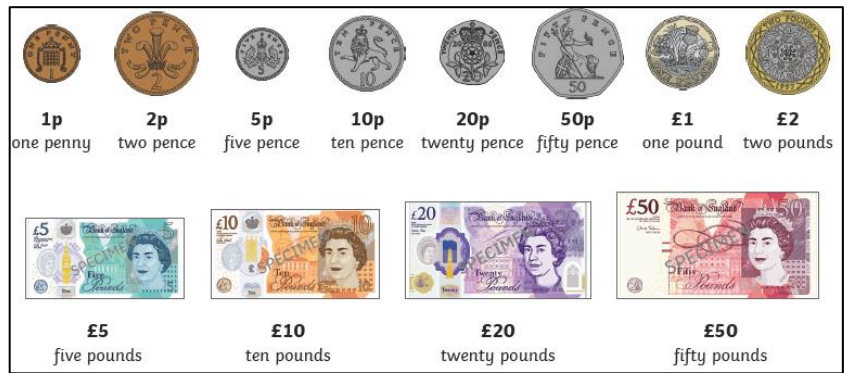

Task 1 Agree or disagree?

20p is a copper coin.

£10 note is an orange note.

£2 coin has 2 colours on it

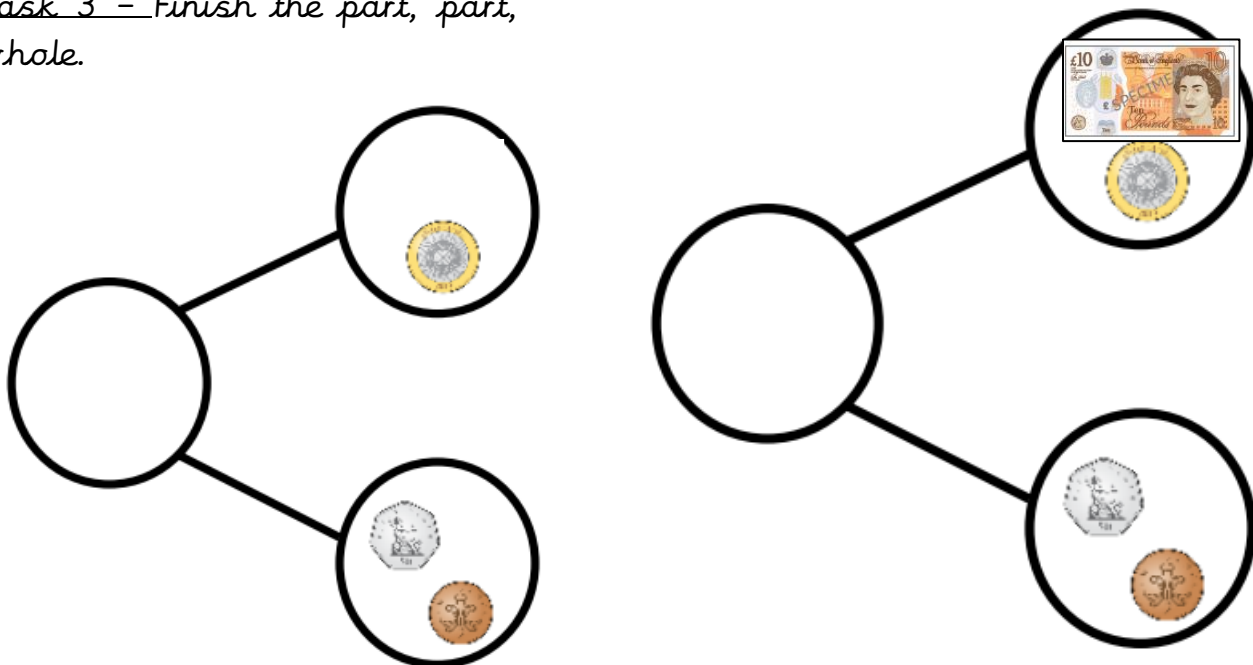

£20 note is blue.

Task 2 How much money do I have altogether?

Task 3 - Finish the part, part, whole.

Task 4 - fill in the gaps to make these money statements correct!

$$£10 + £5 + 50 \text{ p} = £____ \text{ and } ____ \text{ p}$$

$$£20 + £2 + 10 \text{ p} + 10 \text{ p} + 2 \text{ p} = £____ \text{ and } ____ \text{ p}$$

$$£5 + £____ + 50 \text{ p} + 20 \text{ p} + 20 \text{ p} + 1 \text{ p} = £10 \text{ and } ____ \text{ p}$$

Task 5- Mo thinks he has 51p. Explain his mistake.
