

Crossed Paws

Dear Sir/Madam,

I am sure that you have heard of the zoo Crossed Paws. It is certain that you must come to see our amazing wildlife! We have all the animals you could dream of; reptiles, lions, tigers, bears. There's a cafe where you may stop to take a break or have a drink/meal. No doubt Crossed Paws will provide you with what needed!

Unlike other zoos, ours has many amazing attractions. For example: we give away tours, and inside the reptile house, you may hold snakes! From the small Corn snake, to the largest Anacondas! If they don't suit your type, come help us feed penguins! You'll be shocked as they dive through the water at incredible speeds. Furthermore, this zoo owns rides! The jungle roundabout is something to experience. Will you have the guts to ride the fantastic frog jumper that shoots faster than ever upwards until you see the whole zoo? Then drops down giving the thrill of a lifetime!

After that, you and family/friends can laugh as you watch our talented parrots repeat anything you say! They can name the colours of their feathers! The cafe is a great place to relax or enjoy a tasty treat. Let your children have fun in the soft play, riding down our slides and then climbing over walls encouraging them to be adventurous. Surely you'll love a visit! There's so many things to see and do. If you can't do it all in one day, book a lodge and next days entry is free! Enjoy your time at Crossed Paws. The fun never ends!

Yours sincerely, Evie Cousins (Manager Of Crossed Paws)
