I am learning to identify properties of 3d shapes

Today we would like you to go on a shape hunt. Find objects around your home that are 3D shapes.

Complete the table below; this website will help you to remember the properties.

<https://www.bbc.co.uk/bitesize/topics/zjv39j6/articles/zgqpk2p>

Name of object	3D shape	Number of Edges	Number of Faces	Number of vertices

Now try one or both of the following

- Create a 3D sculpture using junk modelling - name the shapes used - send us a picture.
- Have a go at drawing 3D shapes - look at this video to help you
