English

Thursday 11th June

Tomorrow you will be writing an information text based on the animal/creature that you discovered. You need to use the structure of the text (from yesterday) and your description at the beginning of the week to help write this.

Today you will need to plan your information text:

Get Planning!

★ Use the boxed-up planner to plan your facts. It has the same structure as my text. Make notes or draw pictures.

Name of animal	•
What is it? Introduce the animal	• •
Appearance What does it look like?	• •
Habitat Where does it live?	• •
Diet What does it eat?	• •
Talents What can it do?	• •
Fascinating fact	•
