

Friday 19th June 2020

I am learning to identify and draw different types of line.

This year should have been the Olympics. Tokyo 2020. The national flags of the countries taking part are displayed at the games - here are a few.

Can you identify which country they are from?

Pick a flag (it can be above or choose a different flag - here is a good website to find a flag

<http://www.luptravel.com/flag/flags/cbk-ne.html>)

Draw your flag

Investigate some of the following:-

- What shapes can you see in it? Can you describe them and their angles?
- Can you find any pairs of parallel lines? If so mark them on your flag.
- Are there any lines perpendicular to one another?
- Can you find a way to classify the shapes in your flag?
- Now try with another flag.
