Read pages 18-21.

These pages provide information on features of your castle to ensure it is safe, and well-protected in order to keep out the enemy!

Design a poster that demonstrates how strong and protected your castle is; it is the strongest fortress in all of the land!

Use the key ideas, suggested on this page, to describe how it will keep out the enemy - use subject-specific vocabulary when describing each section.

Your poster must be:

- Bold and engaging
- Have informative sections (using subject-specific vocabulary)
- Include pictures to help the reader understand each section

Below is a template, however, you can produce it how you wish - be creative! Magpie the information and language used the text and create your own.

Purposeful Moat and
Gatehouse!

Colossal Towers!

My Indestructible
Castle!

Keeping out the
enemy!

Powerful
Battlements and
Arrow Loops

The intimidating Wall!
