I am learning to use different word classes

Words belong to four main word classes

NOUN

VERB

ADJECTIVE

ADVERB

1. Can you explain what each word class is

2a. True or false? All of the nouns in this sentence have been underlined.

"After school today, I'll get on the bus to town with Mary," said Jonathan happily.

2b. True or false? All of the nouns in this sentence have been underlined.

"The grey printer ran out of magenta ink yesterday!" said the administrator.

3. Choose the most suitable adjective so the sentence below make sense.

a) "Where is that _____ smell coming from?" asked Amelia curiously.

b) Roger told his son, "I have left the _____ house key underneath the plant pot."

4. Underline the adjectives and circle the verbs in the sentences below.
