

I am learning to multiply

Focus Question
What is the multiplication story?

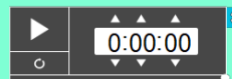

Let's learn some new maths language!

array

I am learning to multiply

Make an array.

Each row has the same number.
There are 2 rows of 4 or... 2 lots of 4 or...
2 groups of 4.

I am learning to multiply

This is an array.

There are 3 rows of 6.

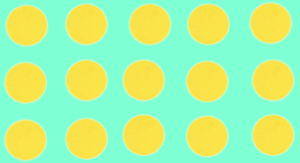

$$3 \text{ lots of } 6 = 12$$

$$6 + 6 + 6 = 12$$

I am learning to multiply

Let's Learn

This is an array.

There are 3 rows of 5.

$$3 \text{ lots of } 5 = 15$$

$$5 + 5 + 5 = 15$$

$$3 \times 5 = 15$$

I am learning to multiply

Partner Practice

Partner A

____ rows of ____ =

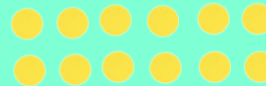

____ \times ____ =

or

____ rows of ____ =

____ \times ____ =

Partner B

____ rows of ____ =

____ \times ____ =
