### The Ultimate guide to Elves and Sprites!

Later this week, you'll plan and write an information text about your elf or sprite!

First, you need to think about what your imaginary figure looks like; characteristics etc.

In the model text you read about a 'Cave Elf'. Below are some further ideas:

**The forest elf** is found in large woods and hedgerows. It has twigs and leaves sprouting out of its head.

**The river sprite** lives under riverbanks. It is covered in a salmon's scales and is very slippery to touch.

**The rose elf** inhabits gardens and has red, soft skin. It smells very sweet and likes to sleep in a rose's petals.

**Lemon tree elves** live in grocery departments of big stores and are an astonishing bright yellow. However, they have sour spit which is best avoided.

**The library sprite** hides on bookshelves, is pale and, because of reading so much, tends to wear glasses.

**The sky elves** live in clouds, can fly with their tiny wings and have misty hair. They are the only species of elf that can fly long distances.

Time to make your mind up. Which type of elf or sprite will you be writing about? Write a couple of sentences to explain which type of elf or sprite you are going to write about, where they live and what they look like. Use the pattern of the above sentences as a model.

Task - Create a passport/pen portrait of your elf/sprite.

To help you think about your chosen type or species of creature, you are now going to create a passport. You will need to provide details and draw a picture. Here is an example of a passport for a unicorn. Use the template to create your own passport for one of your chosen species of elf or sprite.
