

# The Hunt

1

Why did Zuni go over to the fire pit?  
Tick **one**.

- |                          |   |
|--------------------------|---|
| <input type="checkbox"/> | She wanted to find the other dogs.              |
| <input type="checkbox"/> | She wanted to search for left-over food.        |
| <input type="checkbox"/> | She wanted to find Dira's mother.               |
| <input type="checkbox"/> | She thought it would be warmer near the embers. |

2

Which of these facts about Zuni do we learn from evidence in the text?  
Tick **more than one**.

- |                          |  |
|--------------------------|--|
| <input type="checkbox"/> | Zuni sleeps with Dira at night.        |
| <input type="checkbox"/> | Mahila sometimes lets Zuni steal food. |
| <input type="checkbox"/> | Zuni is a grey wolfhound puppy.        |
| <input type="checkbox"/> | Dira often gets cross with Zuni.       |
| <input type="checkbox"/> | Zuni has fleas.                        |

3

In what ways had the hunt 'gone well'?  
Tick **more than one**.

- |                          |   |
|--------------------------|---|
| <input type="checkbox"/> | The hounds found the scent of three boars.      |
| <input type="checkbox"/> | The hounds smelt a boar very quickly.           |
| <input type="checkbox"/> | The hunters returned with their kill by midday. |
| <input type="checkbox"/> | The hunters managed to encircle the boar.       |
| <input type="checkbox"/> | Devar had stayed calm when the boar charged.    |

4

'Hunting was the chief skill every boy wanted to conquer.' What does the word **conquer** mean in this context?  
Tick **one**.

- |                          |         |
|--------------------------|---------|
| <input type="checkbox"/> | defeat  |
| <input type="checkbox"/> | master  |
| <input type="checkbox"/> | yield   |
| <input type="checkbox"/> | control |

5

Which of these skills had Dira already learnt?  
Tick **more than one**.

- |                          |   |
|--------------------------|---|
| <input type="checkbox"/> | Cooking and skinning small animals      |
| <input type="checkbox"/> | Spearing boar                           |
| <input type="checkbox"/> | Picking berries                         |
| <input type="checkbox"/> | Skinning mammoths                       |
| <input type="checkbox"/> | Finding mushrooms that were safe to eat |
| <input type="checkbox"/> | Catching fish in a trap                 |

6

What was the main reason that Dira wanted to be a skilful hunter when he was older?  
Tick **one**.

- |                          |   |
|--------------------------|---|
| <input type="checkbox"/> | The best hunter became the tribe's leader.    |
| <input type="checkbox"/> | Hunters were given the best food.             |
| <input type="checkbox"/> | He could help the tribe become more powerful. |
| <input type="checkbox"/> | Hunting was exciting.                         |

► CONTINUED FROM PAGE 1

7 Which of these facts do we know about the tribe from evidence in the text?  
Tick **more than one**.

- |                          |  |
|--------------------------|--|
| <input type="checkbox"/> | The tribe held a feast every evening.              |
| <input type="checkbox"/> | The tribe slept in a cave.                         |
| <input type="checkbox"/> | The tribe used wolfhounds when they hunted.        |
| <input type="checkbox"/> | The tribe expected Dira to become the best hunter. |
| <input type="checkbox"/> | The tribe hunted with spears.                      |

8 In the story, Dira wakes up and thinks about what happened the day before.  
**Number** the following events in the order that they would have actually happened in the life of the tribe. *One has been done for you.*

	Devar speared a boar.
1	The hunters set out with their wolfhounds.
	The tribe held a feast.
	Overnight, the fire died down to glowing embers.
	Dira thought about the exciting boar hunt.
	Zuni looked for scraps around the fire pit.
	The hunters surrounded a boar.
