

13.7.20

Focus Question

Can you share your paper
equally?
Find ways to do this.

Cut, fold, rip, draw... give it a go!

Let's learn some new maths language!

half $\frac{1}{2}$

(shape, object, amount, part, equal parts,
whole, one whole, one half, two halves)

13.7.20

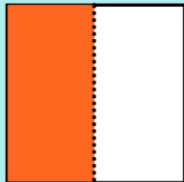

I am learning to finding halves

Let's Learn

gets

This is half.

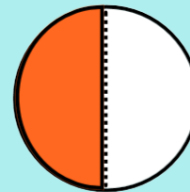

gets

This is half.

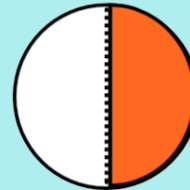

gets

This is half.

gets

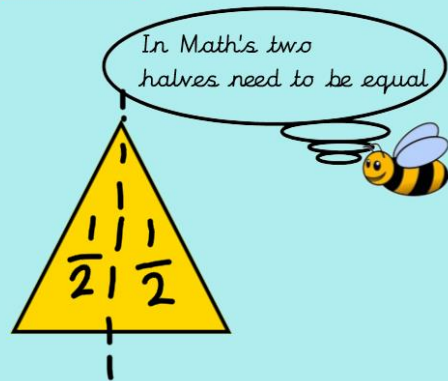

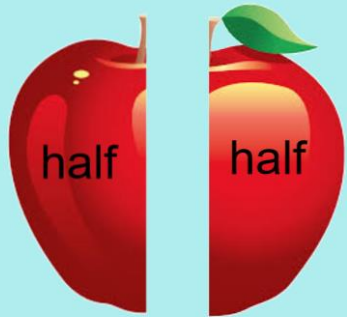

This is half.

2 halves make a whole.

I am learning to finding halves

13.7.20

I am learning to finding halves

Will the children get equal halves of the cake?

Explain your answer.
