

Freddy Frog Jumbled Words: Short /i/ spelt as 'y'

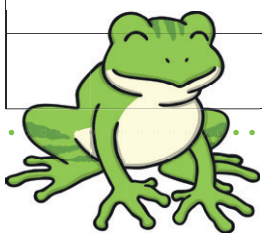

Parent Explanation

Within the Year 3 and 4 spelling curriculum, children are required to correctly spell words where 'y' can sound like an 'i' if it falls in the middle of a word. For example, in the word gym, the 'y' makes a short /i/ sound.

Can you help?

Freddy Frog has been playing Frabble, which is a game where frogs use letters to make words and earn points. However, Freddy has dropped all his words on the floor and he can't remember what order the letters should go in. Please help him rearrange the letters to make the correct spellings, which all contain a short /i/ sound spelt with a 'y'.
