

I am learning to identify the four sentence types

Statements - Statements are sentences which tell you something. They end with a full stop.

Questions - Questions are sentences that ask you something. They usually end with a question mark.

Commands - Commands are sentences that tell you to do something. They are often urgent or angry and can be very short.

Exclamations - Exclamations are sentences that begin with 'what' or 'how'. They are full sentences, include a verb and end with an exclamation mark.

Sort these sentences according to whether they are statements, questions, exclamations or commands.
