Friday 17th July

You have now written your fantastic 'wishing-story' narrative using fabulous vocabulary and suspense writing to engage the reader!

Hollywood are so impressed with your story that they want to produce it into a film - it will be screened at all Vue cinemas across the country...how exciting!

To promote and advertise your film, you need to design a 'Film cover/poster'.

What actors/actresses will be in your film?

What images will be on your poster?

How will your title be produced?

How will the public know that this is 'the must-see-film of the year'?!'
