Dear Colleague

As you are aware, the current situation has prevented us holding our normal Open Evening. In its place, to provide parents and pupils with an insight into our school, we have made a short film.

The film is available at <http://cgs.kent.sch.uk/978/virtual-open-evening>

There is also accompanying documentation available with the same link.

I would be grateful if you could share the link with your parents and pupils through your newsletters and social media channels to help inform their school choice for next year.

Yours faithfully

Warren Smith
Headteacher
