

School is closed for 2 weeks

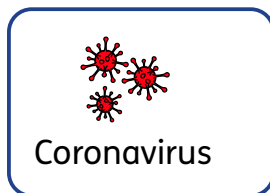

I will not be coming to school for the next 2 weeks, all my class and teachers will be staying at home.

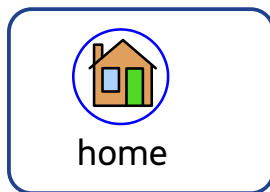

I will stay at home with my family for the next 2 weeks.

My class is shut because there is a case of Coronavirus in school.

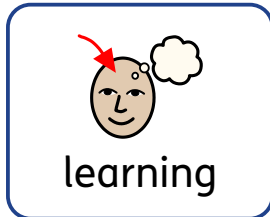

Most people with Coronavirus will stay at home to get better

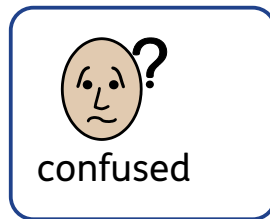

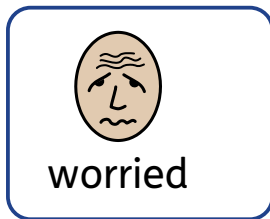

Indigo Class are going to stay at home to keep us healthy.

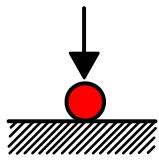

Miss Miles will teach us our lessons via Teams on the computer.

I might feel worried or confused because things are different.

This is ok, if I have any questions I can speak to my family.
