

I will not be coming to school until the 3rd December, all my class and teachers will be staying at home.

I will stay at home with my family. .

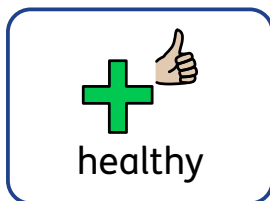

My class is shut because there is a case of The Corona virus in school.

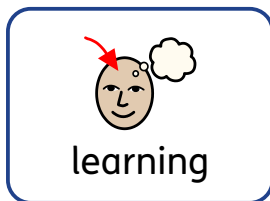

Most people with Corona virus will stay at home to get better.

Cobalt Class are going to stay at home to keep us healthy.

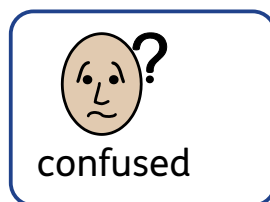

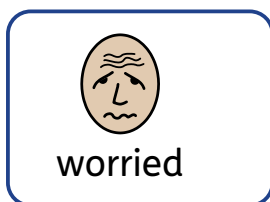

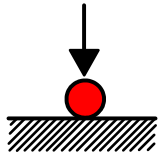

Mr Wheeler will teach us our lessons via Teams on the computer.

I might feel worried or confused because things are different.

This is ok, if I have any questions I can speak to my family.
