

# Santa's Christmas present workshop

Slightly different to last year, due to COVID restrictions meaning availability to bulk buy has reduced, we have purchased a wider range of affordable Christmas presents so that children can visit our shop, pick their presents for each family member, put a label on it and then bring it home to pop under the tree!

Gift Bags are priced at £3.00 each and will be suited to Mums, Dads, Brothers, Sisters, Grandparents, Cousins, Friends and even the Dog or Cat!

Adults will take children in their bubble groups to the shop where we will operate a strict no touching policy and gifts will be popped in a gift bag covered with tissue paper to minimise the handling of your products.

## Take the stress out of your Christmas and put the

We have done everything possible to make the shop as safe as possible whilst still maintaining the magic of Christmas for your children.

Please send correct money in an envelope with the names of the people your child is buying for written on the envelope e.g. Grandma - £3; Mum - £3, Brother - £3 (Total £9) to ensure we can help your child to make sensible choices and minimise cash handling. Please see the newsletter for dates for each year group!

1

Send your child in to school with enough money to purchase one, two, or twenty presents. All £3.00 each, packaged in a Christmas gift bag with tissue paper and with a To: and From: tag!

2

Your child enters Santa's Christmas present workshop and chooses items from a wide range of gifts suitable for men, women, boys and girls, babies and teenagers!

3

Once chosen, your child will be helped to write a tag on the present stating the name of the person that they have bought for and their name.

4

Relax in the knowledge that some of your Christmas shopping has been done and that, even better...someone else has packaged it for you!
