

Coming back to school

Over

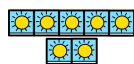

the

past

few

weeks

I

have been

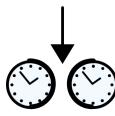

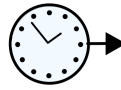

learning

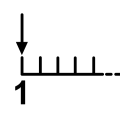

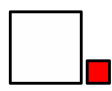

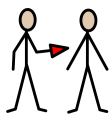

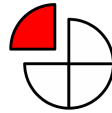

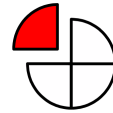

at

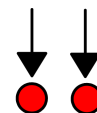

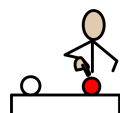

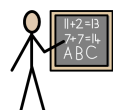

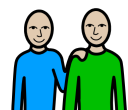

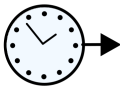

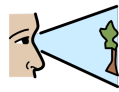

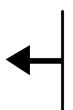

home.

    
Soon I will be coming back to school.

       
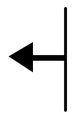

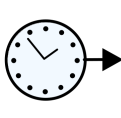

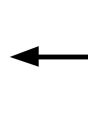

At first it may feel a little strange coming back to school.

      
You may feel a bit worried, excited or a bit of

  
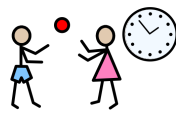

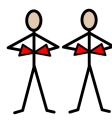

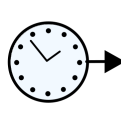

both! This is ok.

        
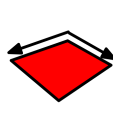

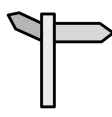

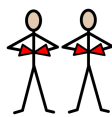

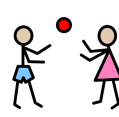

My teachers and friends will be happy to see me back

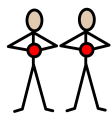

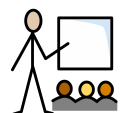

in school.

        
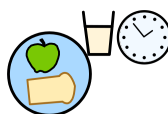

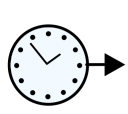

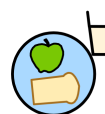

When I am back at school I will go back to my

 
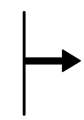

class bubble.

        
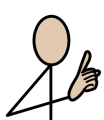

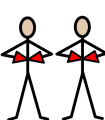

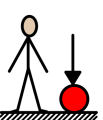

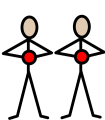

At playtimes and lunchtimes we will have a special

       
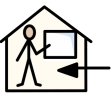

area in the playground where we can play with

    
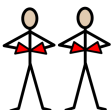

children from our class bubble.

         
At lunchtimes I will eat my lunch with the children

  
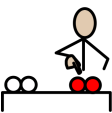

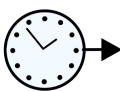

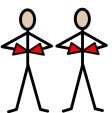

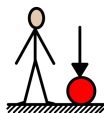

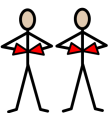

from my bubble.

      
It is important we stay in our class bubble.

 Some  of the adults  and  children  in school  may  wear a  mask .

 We  will  remember  to  wash our hands  and  use the toilets

 ~~_____~~
sensibly.

 These  things  will  help  us  to  stay  safe  when  we

 
are at school.

If  I  have  any  questions  I can  ask  my  adults  at  home

or an adult in school.

Going back to school will be fun!
