CHILTON PRIMARY SCHOOL - AFTER SCHOOL ACTIVITIES LIST
TERM 6 2021

After school sports club is back!

In Term 6 we are running a multi sports club (catching and throwing skills, competitive games, etc) that will offer your child a chance to try a range of different sports. With COVID restrictions in mind, we can only offer one club per week per year group. The club will run on the day your child has PE.

Please can you complete the key survey form [click here](#) to secure your child's place.

We look forward to seeing you!!
