

**Chilton Primary School
FOREST SCHOOL**
Date: 5 & 6th April

Stage One – Outdoor Learning Provision

To clear and then create a section of the forest dedicated to Outdoor Problem Solving, Team Building, Social Skills Development and Building Trust. Create a fire pit area for Hot Chocolate and Chat Time!

Volunteer Activities will include:

- Clearing the area of weeds (roots and all!)
- Pegging Weed Membrane across the site
- Spreading Bark Chippings
- Creating a giant rope spider web
- Designing activities/challenges to test children’s problem-solving
- Planting tyres out
- Creating a fire Pit area with gravel and bricks
- Making benches/planters

**Ramsgate Arts Primary School
FARM SCHOOL**
Date: 21 April

Stage One – Paint our dreams into reality!

At RAPS, we have vast amounts of wooden items in our bid to be eco-friendly and to create our calming school environment. But wood needs love and we need to give it all a fresh coat of stain! We also have a pathway to dig, planters to be made and gravel shifted.

Volunteer Activities will include:

- Wood staining fences
- Wood staining playground planters
- Wood staining playground equipment
- Pathway digging
- Topsoil moving
- Gravel spreading
- Making Benches/Planters
- Tepee Building

**Upton Junior School
SENSE IT GARDEN**
Date: 1st week in May (date tbc)

Stage One – Outdoor Learning Provision

We are creating a sensory garden on our old pool hall site. The space will be a place to feel, chat, play board games, draw, think and take time out from the hectic world we have been thrown into for the past 2 years.

Volunteer Activities will include:

- Making benches/planters
- Moving Gravel
- Planting out beds
- Moving Bark Chippings
- Tepee Building
- Path edging
