Dear Parents/Carers,

At Chilton, we use Accelerated Reader (AR). Accelerated Reader is a computer program that helps teachers manage and monitor children's independent reading practice. Once your child has picked their book and finished reading it, they will take a short quiz on a computer in school or at home. Passing the quiz is an indication that your child has understood what was read. Accelerated Reader gives children and teachers' feedback based on the quiz results, which also allows teachers to tailor their Guided Reading lessons.

We would like to hear your thoughts about our Accelerated Reading program and how you and your child use it. Please complete the following questionnaire by clicking the link below – this will take 2mins of your time.

If you have any questions about your child's reading, please speak or email your class teacher.

Thank you for all you are doing to support your child's reading at home.
