All About Chilton Fundraisers

What We Do

Like almost every aspect of society at the moment, schools are consistently asked to do more with less as a result of minimal funding across the country. Chilton Primary is no different & our Fundraisers' help is needed more than ever to help plug these ever-growing gaps. We have previously raised in excess of £6,000 annually but with the impact of the pandemic, we have struggled to increase that figure over the past few years. With the pandemic thankfully behind us, now is the time to renew our enthusiasm, strengthen the wonderful community of parents at Chilton and work together to raise money to give our children the best possible experience of primary school.

The money contributes towards subsidising school trips to make them more affordable to parents, revamping the outside areas, new sports kits for pupils, Peer Mediator hoodies, year 6 leavers t-shirts, staff sportswear for events & competitions, panto & the Magic Man at Christmas, Easter Eggs for all pupils and lastly, one area in which we'd like a huge push, developing the Forest school area.

We meet regularly to discuss feedback from previous events, to plan forthcoming events, discuss any ideas we might have. We welcome new faces joining and are open to fresh ideas.

Why We Would Love Your Support

1. Research has shown when parents are part of the school community, children do better
2. We want to help Chilton build the best possible environment for our children by providing resources they need and helping create a supportive, inclusive atmosphere that makes Chilton a place the children want to be and are proud of
3. We know you are all busy people & likely reluctant to volunteer hours & hours of your time. Consequently, we respect whatever time you can offer. Even an hour or two a term makes a difference.
4. We don't take ourselves too seriously – we have quite a laugh doing it
5. We all have the same common bond – we want our children to have the best possible time at school
6. We can match tasks to your interests & abilities. We know it can be daunting to get involved so we would never ask anyone to do anything they are not comfortable doing
7. It's quite rewarding to feel you've made a difference to your children's school

We'd love to hear from you or see you at one of our meetings!

Our next meeting will be Wednesday 11th October at 2.30 in the school hall. All parents welcome!
