

Attendance in the Summer Terms

We know that you have heard a lot from us about school attendance this year but we just wanted to let you know how much we want your child to be here across the summer terms because of the amazing things about school in the summer:

- We are always outdoors and our fields and playgrounds are amazing in the summer terms!**
- We take lots of our learning outdoors**
- When the weather is good, we can use all of our amazing resources and equipment outdoors**
- Summer uniform is the best!**
- Sports Days are coming!**
- We'll meet new teachers soon**
- We have great activities planned for every class**

It's the perfect time to be here!
