Dear families,

We are excited to inform you that on Monday 9th June, we will be welcoming Prime VR into school to support and enhance our Thematic Learning through an immersive Virtual Reality Experience.

Virtual reality allows our pupils to explore new environments and topics in an engaging and interactive way, helping bring the outside world into the classroom and bringing their learning to life.

Each year group will take part in a tailored workshop linked to their current topic:

- **Year 3** – Rainforest Workshop
- **Year 4** – Climate Change Workshop
- **Year 6** – World War 2 Workshop

To help cover the cost of this enriching experience, we kindly ask for a **contribution of £4.44 per pupil**. Payments can be made via your MCAS app under outstanding payments.

We are confident this experience will inspire curiosity, deepen understanding, and make learning memorable for our pupils. Thank you for your continued support.

Kind regards,

Miss Davey
